

Russian Quota Scholarship Program for international students to study at NArFU in 2015-2016 academic year

Northern (Arctic) Federal University named after M.V. Lomonosov (Arkhangelsk, Russia) is pleased to invite international students seeking admission in 2015 to apply to Russian Quota Scholarship Program.

Training of foreign citizens within the Quota Scholarship Program will be implemented at the expense of allocations from the federal budget of the Russian Federation and will cover tuition fee and part of the living expenses during their studies in Russia.

Northern (Arctic) Federal University has been allocated a significant number of quota students for the last years. Being a rapidly developing Arctic-focused university, member of Russia Leading University Association, NArFU provides international students from 45 countries with high-quality education, academic mobility programs, international projects and internships, advanced research infrastructure and great opportunities for social life activities.

Applicants should submit the following documents to the Representative Office of Rossotrudnichestvo / Russian Centers of Science and Culture in the candidate residence country:

List of required documents:

1. Filled in application form with an attached color photograph;
2. Copies of documents confirming subsequent educational levels including transcript of records;
3. Medical certificate issued by the official authority of the candidate residence country;
4. Certificate of HIV and AIDS negative test results issued by the official authority of the candidate residence country;
5. Copies of passport pages containing information required for study visa, valid for at least 18 months from the start date of the entry student visa (clearly readable pages containing the setting data for invitation);
6. Copies of birth certificate (if any);
7. Other relevant documents (diplomas; international, national and other academic contest certificates).

For admission to Master and PhD programs:

8. Abstract in Russian or English language;
9. List of publications.

Application Deadline:

Application for participation in the Russian Quota Scholarship Program has started.

Deadlines for submission of the documents vary depending on the candidate's country of residence, and candidates are asked to refer to the Representative Office of Rossotrudnichestvo / Russian Centers of Science and Culture in their respective country (<http://rs.gov.ru/en/missions>).

List of approved candidates will be compiled by Rossotrudnichestvo by March 1, 2015.

For more detailed assistance interested candidates are asked to contact NArFU (international@narfu.ru).

Northern (Arctic) Federal University

Northern (Arctic) Federal University named after M.V. Lomonosov, located in Arkhangelsk, is North-West Russia's largest research and training center, a member of Eurasian University Association.

Being one of Russia's 10 federal universities, NArFU **fosters innovation** and trains specialists for the Arctic and High North resource development. NArFU is the only Russian university being tasked with training experts of **international level** in areas such as **engineering, technology, IT, humanities and life sciences** with a special focus on the Arctic region.

NArFU graduates are employed at the largest Russian and **international companies** specializing in offshore oil and gas projects, shipbuilding, construction, energy, timber processing, environmental protection and IT. The University also has **long-standing academic traditions** in training specialists in linguistics, intercultural communication, journalism, law, international relations, psychology and pedagogics.

NArFU's **15 institutes** currently have more than 18 000 students coming from Russia and **45 countries** in South-East Asia, Europe, North and South America, CIS countries. Every year more than 400 our students join international exchange programs and undertake internships in partner universities all over the world.

International students are welcome to take a **wide range of NArFU educational programs** supported by Quota Scholarship Program:

Degree Programs

- **Russian-taught Bachelor, Master and PhD programs**, including:
 - Natural and applied sciences (Oil and Gas, Construction, Biotechnology, Power Engineering);
 - Mathematics and IT;
 - Economics and management;
 - Social Sciences and Humanities;
- **English-taught Master programs**, including:
 - Environmental Risks Management in the Arctic;
 - European Studies: Arctic Focus;
 - Theory of Teaching Foreign Languages and Intercultural Communication in the Barents Euro-Arctic Region and others.

Non-Degree Programs and Courses

- **Non-degree English-taught semester programs:**
 - Russian Studies (30 ECTS, Autumn semester)
 - Diverse Arctic: Local Challenges – Global Changes (30 ECTS, Spring semester)
- **International Schools of the Russian Language and Culture**
- **Intensive Russian language course;**
- **Internships on PhD level in the required field**

One-year Foundation Program

Course of Russian language and preliminary training in basic subjects required for an academic program of student's choice ([more information](#)).

We will be glad to see you among students of NArFU!
